

# Interview Protocol Students

## General

- a. How were the overall experiences of the lockdown period.
- b. Do you think you fell behind on courses during this period, if yes which ones?
- c. What did you like from the education during the lockdown period?
- d. What didn't you like from the education during the lockdown period?
- e. Did your motivation change during the lockdown period in comparison to the classes before lockdown?

## Course specific

These questions will be asked for every course for which the teacher is also being interviewed.

- a. How did you like the classes before the lockdown period?
- b. How well did you understand the material that was presented to you before the lockdown period?
- c. How did you like the classes during the lockdown period?
- d. How well did you understand the material that was presented to you during the lockdown period?
- e. Which elements/parts of the lesson during the lockdown period did you like most? Why?
- f. Which elements/parts of the lessons during the lockdown period did you like least? Why?
- g. Did anything change in the way the teacher explained the material, besides the fact that it was online?
- h. How well were you able to concentrate on the work of the particular teacher in comparison to the classes before the lockdown period?
- i. (If the same teacher in both years) How is the material presented right now?
  - I. (offline) Are the classes different now that streaming is used, if yes, what do you think of this?
  - II. (online) How are classes going that you have to follow online? Elaborate.
